PORTFOLIO

Hello! I am Shashank Dara

ABOUT

I am an interaction designer with in depth specialisation in ui-ux designing ,
And strong in areas of user experience study, branding & research, and content analysis.I am familiar with user interface concepts too such as, I can anticipate with user need, and help them to go in that desired path, and also good with problem solving.

PROJECTS

GRAPHIC DESIGN
GAME DESIGN
HUMAN COMPUTER INTERACTION
USER INTERFACE/USER EXPERIENCE

MY RESUME

CONTACT

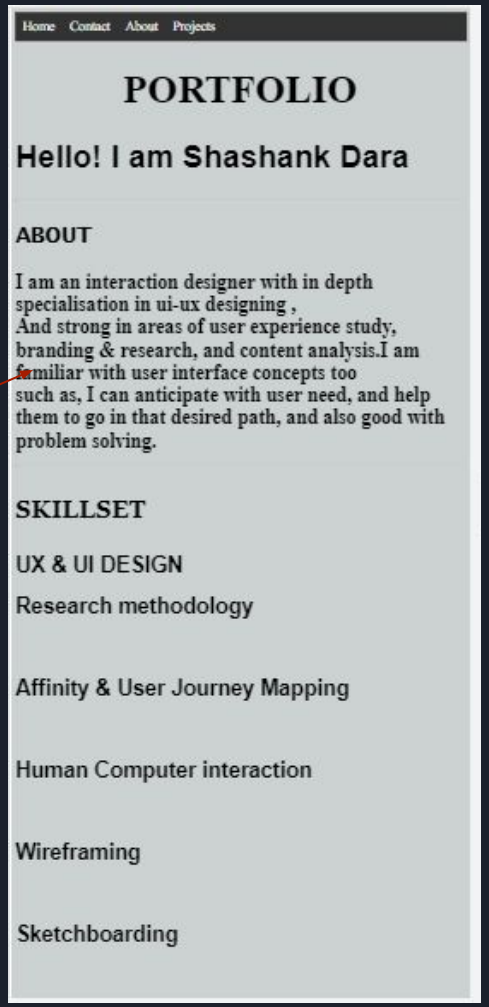
Email

Instagram

Issues faced by User in mobile

- Orientation of the webpage is lost
- Most of the elements became non reactive
- Images gets enlarged when used in Mobile version
- Most of the texts are misplaced
- Navigation bar size and other size ratios changed
- Content visibility in total got disturbed.

Text location changed and almost moved out of the layout and visibility reduced.



Images got blurred and enlarged
